

Appendix O

Awarding Sample List for Energy and Power Engineering Program

NO	Project name	Name of Award or Support	Time	Grade	Delegation of authority
1	Student Award (Ye Junwen, Xiao Di)	The Second China Renewable Energy Society College Students Excellent Science and Technology Competition 2019	2019	National First Prize	China Renewable Energy Society
2	Student Award (Wang Long)	National scholarships	2019	National level	Ministry of Education
3	Student Award (Li Yan-ran)	The 12th "Higher Education Cup" National College Students Advanced Mapping Technology and Product Information Modeling Innovation Competition Mechanical Modeling	2019	National First Prize	Sub-Committee on Teaching Instruction of Engineering Graphics Courses in Higher Education of the Ministry of Education
4	Student Awards (Dato Chen, Shiwei Wu, Guangchao Wang)	11th National Science and Technology Competition on Energy Saving and Emission Reduction	2018	National First Prize	National College Students' Social Practice and Science and Technology Competition Committee on Energy Saving and Emission Reduction
5	Student Award (Zhang Hongjia, Gao Wei, Zhou Jialin)	First prize of undergraduate group of National College Students Mathematical Modeling Competition	2018	National First Prize	Chinese Society of Industrial and Applied Mathematics
6	Student Awards (Yuyu Leung, Qianqian Wang, Jianwen Chen)	First prize of undergraduate group of National College Students Mathematical Modeling Competition	2018	National First Prize	Chinese Society of Industrial and Applied Mathematics

7	Student Award (Cui Tian, Wang Jie)	National scholarships	2018	National level	Ministry of Education
8	Student Award (Ma Benhao)	National scholarships	2017	National level	Ministry of Education
9	Student Award (Class 2013017)	National College Energetic League Branch	2017	National level	Central School Department
10	Student Award (Chen Long, Wan Qing)	China College Students Advanced Mapping Technology and Product Information Modeling Innovation Competition 3 D Printing Class	2017	National First Prize	Teaching Steering Committee of Engineering Graphics Course in Higher Education of the Ministry of Education
11	Student Award (Jia Bin, Gao Xiang, Zhang Xin)	18th National College Robot Competition ROBOCON National Finals	2019	State Second Class	Central Committee of the Communist Youth League, All-China Federation of Schools
12	Student Award (Hong Chongjie, Hu Huafeng)	Mathematical Modeling Contest for American College Students	2019	National H Award	American Federation of Mathematics and Applications
13	Student Awards (Xie Wei, Yu Guangcan, Pan Dengyu, Wang Chaolong, Hu Huizhong)	National College Students' Social Practice of Energy Saving and Emission Reduction and Science and Technology Competition	2017	State Second Class	National College Students' Social Practice and Science and Technology Competition Committee on Energy Saving and Emission Reduction

14	Student Award (Zhao Yushun, Wang Yongkang, Yao Mi)	National College Students Advanced Mapping Technology and Product Information Modeling Innovation Competition	2017	State Second Class	Teaching Steering Committee of Engineering Graphics Course in Higher Education of the Ministry of Education
15	Student Award (Bao Haotian, Zhou Jiayan)	Mathematical Modeling Contest for American College Students	2019	National S Award	American Federation of Mathematics and Applications
16	Student Awards (Ye Junwen, Chen Yufan, Hou Xinghao, Xiao Di)	11th National Science and Technology Competition on Energy Saving and Emission Reduction	2019	National Award	National College Students' Social Practice and Science and Technology Competition Committee on Energy Saving and Emission Reduction
17	Students awarded prizes (Zhao Xiaoyan, Jia Tao, Guan Yu, Zhang Hui, Wu Tianjiao, Cao Yuchen)	The Second China Renewable Energy Society College Students Excellent Science and Technology Competition 2019	2019	National Award	China Renewable Energy Society

18	Student Awards (Guan Yu, Mu Zhuowen, Zhang Jian, Xiang Wenwei)	11th National Science and Technology Competition on Energy Saving and Emission Reduction	2018	National Award	National College Students' Social Practice and Science and Technology Competition Committee on Energy Saving and Emission Reduction
19	Student Awards (Youyun, Qinling, Wang Lazhen, Ye Xiaofeng, Tu Zhao, Jiang Jianming)	National College Students' Social Practice of Energy Saving and Emission Reduction and Science and Technology Competition	2017	National Award	National College Students' Social Practice and Science and Technology Competition Committee on Energy Saving and Emission Reduction
20	Students (Xu Fu, Guo Qiuyang, Sun Xiaojin, Xie Jiaqi, Huang Chaohui, Kuang Kai, Lou Huihui, Xie Xinwang, Luo Tianyue)	18th National College Robot Competition ROBOCON National Finals	2017	National Award	Central Committee of the Communist Youth League, All-China Federation of Schools
21	Student Awards (Du Linheng, Zhang Hao, Ma Chuang, Wang Long, Liu Ruihan)	Shanghai University Student Mechanics Competition Group	2018	Provincial and ministerial level	Shanghai Institute of Mechanics
22	Student Award (Zhu Yong enmity Tong Cai Zhewei)	16th "Challenge Cup" Shanghai University Students' Extracurricular Science and Technology Competition	2019	Provincial and ministerial level	Shanghai Committee of the Communist Youth League

23	Student Award (Wang Xin, Hong Chongjie)	Shanghai Scholarship	2019	Provincial level	Shanghai Education Commission
24	Student Award (Zhang Lingfeng, Wan Qing, Wang Long)	First Shanghai "New Special Cup" Digital Innovation Design Competition	2019	Provincial and ministerial level	Shanghai Institute of Mechanical Engineering
25	Student Award (He Zhenghua, Shen Kaixin)	The 9th "Top Cup" Advanced Drawing Technology and Innovation Design Competition Computer 3D Modeling Competition Individual Award	2019	Provincial and ministerial level	Shanghai Education Commission
26	Student Award (Liu Qinglong, Yang Lichao, Yao Zhenfei)	The 9th "Image Cup" Advanced Drawing Technology and Innovation Design Competition Mechanical Computer 2D Graphic Drawing Competition Individual Award	2019	Provincial and ministerial level	Shanghai Education Commission
27	Student Awards (Li, Fang Zikai, Hong Chongjie, Huang Zhiliang, Wang Yufu)	Group Award for Advanced Mapping Technology and Innovation Design Competition for Mechanical Computer 2D Graphics Drawing Competition	2019	Provincial and ministerial level	Shanghai Education Commission
28	Student Award (Du Linheng, Fan Mengjie)	Shanghai Scholarship	2018	Provincial level	Shanghai Education Commission
29	Student Award (Guo Na)	Shanghai Scholarship	2017	Provincial level	Shanghai Education Commission
30	Student Award (14 students including Gao Kunfeng, Zhang Shu and Pan Jie)	Outstanding graduates from Shanghai	2017	Provincial level	Shanghai Education Commission

31	Student Award (Gao Kunfeng)	Shanghai Outstanding Youth League	2017	Provincial level	Youth League Shanghai Committee
32	Student Awards (Guo Qiuyang, Xu Fu, Xie Jiaqi, Kuang Kai, Sun Xiaojin)	Shanghai College Students' Mechanical Engineering Innovation Competition	2017	Provincial and ministerial level	Shanghai Education Commission
33	Student Awards (Xu Jiayi, Yao Mi, Yu Hui, Xu Linghong, Chen Liheng, Chen Ziye)	Top Cup Advanced Mapping Technology and Innovative Design Competition 2D Individual	2017	Provincial and ministerial level	Shanghai Education Commission
34	Student Award (Zhao Yushun, Wu Yee)	Top Cup Advanced Mapping Technology and Innovative Design Competition 3D Individual	2017	Provincial and ministerial level	Shanghai Education Commission
35	Student Awards (Wang Long, Wan Qing, Pan Lu Chen, Pang Zhe, Tang Mingyi)	8th Shanghai College Students' Mechanical Engineering Innovation Competition	2019	Provincial and ministerial level second prize	Shanghai Education Commission
36	Student Awards (Pan Luchen, Pang Zhe, Tang Mingyi)	First Shanghai "New Special Cup" Digital Innovation Design Competition	2019	Provincial and ministerial level second prize	Shanghai Institute of Mechanical Engineering
37	Student Awards (Xie Wei, Tu Zhao, Liu Zhongjun)	Chen Jiageng Youth Invention Award (Shanghai)	2018	Provincial and ministerial level second prize	Shanghai Science and Technology Association

38	Student Awards (Wu Congcong, Ge Yiyang, You Tien Wan, Liang Zhichao, Wan Qing)	Shanghai College Students' Mechanical Engineering Innovation Competition	2018	Provincial and ministerial level second prize	Shanghai Education Commission
39	Student Award (Zhao Yushun, Chen Long, Wang Yongkang, Qiu Tong)	Shanghai College Students' Mechanical Engineering Innovation Competition	2018	Provincial and ministerial level second prize	Shanghai Education Commission
40	Student Award (Chen Long, Qiu Tong, Yang Ning)	Shanghai College Students' Mechanical Engineering Innovation Competition	2018	Provincial and ministerial level second prize	Shanghai Education Commission
41	Student Award (Cai Zhewei et al.)	Shanghai University Students' Social Practice Project Competition	2018	Provincial and ministerial level second prize	Shanghai Committee of the Communist Youth League
42	Student Awards (Zhou Jiayan, Huang Zhiliang, Fang Zikai, Li Zong, Wang Zihan)	Second Prize of Shanghai University Students' Creative Cup Competition	2018	Provincial and ministerial level second prize	Shanghai Education Commission
43	Student Awards (Chen Long, Gao Shuikang, Zhang Yan, Wang Jiani)	Shanghai College Students' Mechanical Engineering Innovation Competition	2017	Provincial and ministerial level second prize	Shanghai Education Commission

44	Student Award (Huang Chaohui, Lou Huihui, Kuang Kai)	Chen Jiageng Shanghai Youth Invention Award	2017	Provinc ial and ministe rial level second prize	Shanghai Science and Technology Association
